

We are gradually opening the New Life Ministry Center at 221 Baker Avenue in Concord, Massachusetts to public worship services.

Our desire is to show love for God and neighbor by adhering to guidelines that have been shown to mitigate the spread of the COVID-19 virus while we gather as a worshipful community.

1. Please fill out the online form and questionnaire found on our website www.newlife.org to preregister your attendance. Our seating is limited and we need to prearrange seating for social distancing. This will be a requirement to attend and instrumental in tracking “pathways of infection” should one of our attendees become afflicted with the corona virus after attendance.

2. In order to prevent the COVID-19 virus spread, we are asking that those who are running a fever, suffering shortness of breath or unusual fatigue stay home. Online viewing of our worship services is available on our YouTube channel, New Life Community Church, Concord MA

3. At this time, we are requiring all who are in the building to wear a face mask and to maintain safe social distancing. Please arrive by 10:15 AM to be assured of getting a seat. We will be running our worship music during arrival starting at 10:15 a.m. with the message starting at 10:30.

4. Please bring your own water bottles as we are not permitted to serve hospitality at this time, including use of our water fountain or kitchen.

5. We regret that we are not able to provide nursery or children's classes at this time.

6. We do not recommend that children under 7 attend and require that parents supervise their children and guests in the maintenance of the required safety procedures.

We thank you all for your flexibility and prayerful patience during these trying times. We look forward to meeting together again “face-mask” to “face-mask” and praising the One who is worthy of our praise.
